< JULIA NOIRET />

Full Stack Web Developer

WHO I AM

I am a passionate web developer with a creative mindset who has just completed Le Wagon web development bootcamp, ranked by students best bootcamp in the world. From my background in hospitality, sales and customer relationship, I developed a customer focused mindset, essential to design websites tailored for my clients and users. I have always had an interest in design and I am particularly conscious of the user interface and experience.
